- QR codes should be sized with 0.0625" x 0.0625" between each square.
- Minimum Stroke Weight: 1 pt Standard & 2 pt Reversed-Out
- Minimum Font Size: 12 pt Helvetica Standard & 14 pt Reversed-Out

## REORDERS

- Reorders can be placed on the website at the "Account" tab at the very top of the Home Page.
- Reorders can also be placed via email. Email [hello@ecoenclose.com](mailto:hello@ecoenclose.com) with the details of your order (mailer type, size, quantity, original order number, and shipping address).
- Reorder printing lead times are the same as new order lead times, not including the time required for transit and delivery.
- Attaching the artwork proof to your reorder will help us determine what plate you would like to use in the event that you have more than one on file with us.
